tittot sharing是新意和心意的對話，

它讓玻璃的喜悅隨處可得，讓情感的分享易於收藏，
在生命每一刻值得慶祝之時。

"tittot sharing" is a dialogue between product
innovativeness and sentiment towards others; it
enables the joy of glass to be experienced
everywhere and makes sharing easier during
every moment in life that is worth celebrating

tittot 琉園用文化的自信，打造創新的價值，使每一件作品渾然而有的東方意境、現代美感，形成世界獨樹一格的全新玻璃藝術風格，而屢獲國際大展邀請，並進入世界級博物館藝術殿堂永久典藏。

tittot 琉園從此帶起一份剔透光采的新希望---將玻璃千變萬化的美麗，更貼近生活；讓分享的情感記憶，更易於收藏。

於是“tittot sharing”誕生，以中國傳統採集豐收之物所置入的竹簍編織圖騰為設計，而有了「」字般的全新識別符號，藉此傳遞人人豐收而分享的概念，也是tittot 琉園與您分享的品味設計。

“tittot sharing”的作品形制精巧、線條簡潔，現代感十足；而深蘊的文化意涵、故事語彙，讓「禮」更添貼心暖意的祝福，而能傳情達意。

“tittot sharing”用簡潔設計的語彙表達詩般的厚度和祝福意味；這份「禮」，不只是真摯情感的分享、感動時刻的分享，更是生活態度的分享，能和好朋友一起分享生命每一刻的記憶。

“tittot sharing” is a dialogue between product innovativeness and sentiment towards others; it enables the joy of glass to be experienced everywhere and makes sharing easier during every moment in life that is worth celebrating

Through their confidence in culture, tittot has crafted new values and endowed each creation with Oriental artistic conception and contemporary aesthetics, forming the unique, brand new glass art style in the world. tittot has been invited to numerous important international exhibitions, and tittot's creations have successfully entered the halls of world-class museums for permanent collection.

tittot has created a glittering new hope with translucent luster, to bring the ever-changing beauty of glass closer to life, and to make the sharing of sentimental memories easier.

Therefore, this gave birth to “tittot sharing”; the weaving pattern of the bamboo basket (used to collect harvested in ancient China) was used to design the brand new symbol “”, which consists of three squares, symbolizing; the intention is to convey the concept of people sharing their abundant harvest with one another, it is the tasteful design that tittot intends to share with you.

“tittot sharing” artwork features exquisite designs, succinct lines and modernity. The profound cultural meaning and vocabulary of intriguing stories convey a gesture of gifting blessed with thoughtfulness and warmth, thereby conveying your true affection.

“tittot sharing” employs simple design vocabulary to express poetic depth and blessings. The gift is not only the sharing of sincere affections and touching moments; it is also the sharing of the attitude towards life, to share every moment of life with close friends.
